

2005 HIGHLANDER FESTIVAL

Parade Rules

- * No entry shall be allowed to be in the parade unless a completed and signed entry form has been received.
- * All parade entries must check in at the corner of Ash St. and S. Pacific on the morning of the parade. **PLEASE** have **only one** person from your entry check in. **PLEASE** be checked in and in line and ready to go by 9:30!
- * Parade entrants who haven't received their entry number in the mail, will pick them up when they check in.
- * Each entry must be physically independent of all other separate parade entries (meaning they must be able to negotiate the parade route without anyone else's assistance), unless the parade chairman has granted approval before Wednesday, September 7, 2005.
- * **POLITICAL ENTRANTS:** Candidates shall **not** be allowed to participate in conjunction with any other separate candidate or party float. Candidates' entries should endorse their own candidate only, and no other candidate's sign should appear on that entry. "Party" entries (like Democratic Women's Club, Republican Central Committee, etc.) **WILL** be allowed to display signs for any and all candidates, which they are supporting. *(This rule is necessary, to protect the City of Kelso and the Highlander Festival Commission from possible liability issues.)*
- * During the check-in process, **PLEASE** be patient and flexible with the parade check-in officials. (They will be trying to check in and answer questions.) **PLEASE** direct all concerns to Terry Reams, as no one else will have authority to make any requested changes. **The Chairman's decision will be final on all matters.**
- * **TO IMPROVE YOUR CHANCES OF WINNING AN AWARD, please be prepared to PAUSE and PERFORM in front of the Judges at the Judges' stand!**
- * Note: The parade route goes ALL THE WAY through Tam O' Shanter Park- ALL entries are expected to remain in the parade to the end, at the opposite side of the park.
- * Exceptions: Entries Exceeding 13 feet in height will not be able to turn left onto Manasco Drive due to a low clearance under the freeway- Those entries will have to exit right onto 13th Ave.
